# Christmas Prizes for Bargains

### Fifteen Dollars to Be Given This Week to Those Who Read the Tee-Dee Want Columns.

The Times-Dispatch has inaugurated a decidedly novel contest, and one which is bound to prove fascinating to all readers of the Tee-Dee Want Ad. columns.

Those who have been in the hubit of reading the Tee-Dee Want Those who have been in the nablt of reading the recover want Ads. have naturally noticed how many striking and catchy bargains are offered from time to time on this page. The object of this contest is to have the readers of The Times-Dispatch themselves decide which are the greatest bargains advertised in the Tee-Dee Want columns, and to those who pick the bargains The Times-Dispatch has arranged to give money prizes to the value of \$15.00. The prize winners will be announced next Sunday.

To the person who picks the ten greatest bargains advertised in the

To the person who picks the ten greatest cargains advertised in the Tee-Dee Want columns in The Times-Dispatch to-day and Thursday of this week; also Sunday and Tuesday past, The Times-Dispatch will give a prize of \$5.00; to the one who comes next nearest to picking the ten greatest bargains, The Times-Dispatch will give \$3.00; and to the next nearest, The Times-Dispatch will give \$2.00, and to the next five nearest, The Times-Dispatch will give \$1.00 each.

The nearest, The Times-Dispatch will give \$1.00 each.

To select these bargains the reader should read carefully every TeeDee Want Ad. in the paper on these four days and select the ten articles
advertised for sale, which, in the judgment of the reader, is the greatest
value for the price advertised. The cost of the article or its real intrinsic value should not be taken into consideration, except in connection with its value as compared with the price at which it is offered
for sale.

for sale.

In sending in the list the coupon, which is printed below, should in each case be used and the name of the advertisers and the articles advertised should both be mentioned on the coupon in the manner shown. Every reader of The Times-Dispatch, whether in town or out of town, is eligible to enter this contest, and to fill out just as many coupons as they may desire. All coupons should be placed in sealed envelopes and addressed to Bargain Contest, Times-Dispatch.

The Times-Dispatch will, of course, not attempt to decide itself which are the greatest bargains offered, but will leave that decision entirely to the people who enter the contest, which decision will be reached in this way: All ballots will be accurately recorded as they are received. Each bargain mentioned on any coupon will head a column on a large sheet. As the votes are received a tally will be placed under each bargain for each vote it receives. When all the votes are thus recorded the bargain which has the largest number of tallies will be placed at the head of the winning list, which is to govern the award of the prizes; that receiving the second largest number of votes will follow it, and so on until the ten most popular bargains become known. Then all the coupons will be carefully gone over and that or those coupons which contain the remove of the ten wanning bargains in the follow it, and so on until the ten most popular bargains become known. Then all the coupons will be carefully gone over and that or those coupons which contain the names of the ten winning bargains in the order in which the total vote has placed them, will be considered as the ten greatest bargains. The others will be assorted in accordance with their nearness to being correct. If no list of votes shall accord absolutely with the winning list the nearest to it will win the first prize, and the other prizes will be awarded accordingly. In case of a tele the prizes will be divided.

A good play would be to vote each day using the coupon in that

A good plan would be to vote each day, using the coupon in that day's paper. At the end of the week, if a better list can be made from all the issues, write these bargains on the last day's coupon, and be sure to get it in on time.

All coupons must be received at The Times-Dispatch office by 4 o'clock P. M., Friday, December 16th.
